

## **Update 2 “AMRA 2015 – Auckland”:**

Hi all,

Welcome to the second update for AMRA 2015 to be held in Auckland over Queens Birthday in 2015. First off, a request for registration of interest please.

It's less than a year to go now and we are in the process of booking venues. The plan is to host AMRA at the North Shore Model Railway club and nearby community facilities. The amount of facilities we book is dependant on numbers and we want to make sure there is enough space to cater for people as our club rooms alone are not big enough.

If you could simply reply by email if you are interested in attending at this stage, then this will help us enormously thank you.

A second request from our Ladies rep. If you are aware of any ladies wishing to come, please could you let us know so that we can prepare an alternative program option. Our ladies rep has sourced a number of interesting possibilities.

Other news

A generous sponsor has allowed us to host three competitions with a cash prize for each. Voting will be by popular vote. The three categories are locomotive, rolling stock and diorama. There are no restrictions on diorama size.

We have had several great layouts kindly volunteered and accepted for the layout tours and are in the process of contacting additional people with outstanding layouts who have not been approached as yet.

Several clinics have been arranged, with help from several volunteers. If you have something you are willing to present it would be gladly considered. Contact is Mark Jackson.

We have had some interest from trading stand vendors, and again are asking for registrations of interest from vendors so that we have sufficient space to cater for them. Model X is also normally on over this weekend, so some vendors may be at Model X.

We are looking for a location nearby to host the dinner and we are also looking for an accommodation deal.

We are designing the logo to go on the mugs and letterheads for AMRA 2015

Happy modeling,

Regards  
Ian Hutton

You have received this email as you have indicated an interest in receiving AMRA 2015 emails. If you wish to be removed from the list, please reply with a request to be removed.
