

Update 9 “AMRA 2015 – Auckland”:
9 Recreation Drive, Birkenhead, Auckland, New Zealand

Welcome to the ninth and final update for AMRA 2015 held in Birkenhead, Auckland over Queens Birthday of 2015. Thank you to all those who attended AMRA 2015 and helped make it a great success. We hope you enjoyed yourselves.

We have received a lot of positive feedback with regards to the venue chosen and the quality of the layouts and clinics which was very pleasing to hear. We did end up with more layouts than we could cope with, but hopefully you managed to make the most of them.

We look forward to AMRA 2017 in Wellington.

Guest Speaker update

I am sure you would all be pleased to know that guest speaker Alex Franklin, President of the Daldy Preservation Society has sent his sincere apologies and he is OK. His daughter was kicked by a horse on Saturday and he left his phone behind when he went to Hamilton to be with her.

Videos

Patrick, our video production manager has recorded several of the clinics that were presented. If you were a registered attendee and are interested in accessing them, then please email us at amra2015@nsmrc.org.nz and we will send you a private viewing link when they are ready.

AMRA 2017

So it's now over to the organisers of the next AMRA. We would like to pass on our enewsletter email list to the Wellington AMRA 2017 team. This list was built on the great foundation provided by the Palmerston North Scale Rails team from AMRA 2013. We know how difficult it is to start out trying to contact everyone without a contacts list! But before we forward on this information we need to know if this is okay with everyone. We assume at this point it is but if you DO NOT wish us to pass on your details please let us know via the email address below ASAP. We will give you a couple of weeks to let us know if you want to be taken off the list

Happy modeling,

Regards
Ian Hutton
