

AMRA 2017 Porirua

Porirua Club

**Queens Birthday Weekend:
2nd to 5th June, 2017**

The American Central Model Railroaders invite modellers of and those interested in American Railroads to register for AMRA 2017, using the accompanying form.

AMRA 2017 will be held from the evening of Friday, 2nd June 2017, through to mid-day Monday 5th June. The venue is the Porirua Club, 1 Lodge Place, Porirua City.

In the spirit of our theme "The Next Generation", we encourage you to encourage other modellers of American prototype railroads to attend, especially younger and 'new' modellers.

The Registration Fee includes Lunch and Dinner both Saturday and Sunday and 'tea and coffee' for the duration of AMRA.

The AMRA 2017 programme includes:

Friday Night: Meet and greet, pick up registration packs and a special presentation by a world renowned presenter.

Saturday Morning and Sunday Morning: Clinics.

Saturday Afternoon and Sunday Afternoon: Layout Tours.

Saturday Evening and Sunday Evening: Dinner at the Porirua Club.

Monday Morning: AMRA Meeting and Farewells.

There will be Trade Stands and opportunities to display your favourite model, train or diorama.

As an 'Extra' we are offering the opportunity to participate in 'running / operating' sessions on most of the layouts that are on the layout tours. Information on these layouts is attached. These sessions will be approximately 2 hours long and will take place on Wednesday 31st May and Thursday 1st June. There will be morning and afternoon sessions each day. Attendees will mostly be 'buddied up' with a regular operator to make our usual 'two person' crews.

Spaces for these sessions are strictly limited and participation will be individually confirmed. Spaces will be allocated on a 'first in' basis to fully paid up Registrants. Once a layout is 'fully subscribed' that will be it. We will try and meet Registrant's layout attendance preferences, but we will have to assign alternatives if layouts are 'oversubscribed'.

We look forward to seeing you at AMRA, renewing friendships and exchanging knowledge and ideas to inspire you with your modelling. We encourage you to 'bring something to show'. There is no contest, but your model may just provide inspiration for others.

If you need more information please contact Kel Sherson at ksherson@actrix.gen.nz.

Regards,
The American Central Model Railroaders.
