The 2012 Biennial convention of the New Zealand Association of Model Railway Clubs will be held in the chambers of the centrally located Amora Hotel in Wellington.

Nearby, in walking distance are central city attractions such as Te Papa Museum, the magnificent Wellington Waterfront with its cafes restaurants and bars, movie and stage theatres, and retail therapy for all on Wellington's famous "Golden Mile".

The convention will feature "everything" you'll need in house including meals and accommodation and parking. We have negotiated very favourable terms for those who would like to stay in the hotel thus saving a considerable amount in petrol and travel costs. Please contact the hotel directly to enquire about the prices and mention the "NZAMRC Convention".

The usual fare of convention activities will be offered including:

- Layout Tours – all scales, gauges and prototypes
- Clinics and demonstrations – we have some vacancies if you have a subject to share
- Model Displays – Bring your favourite model(s) to share
- NZAMRC Competitions – Bring your best efforts and enter them.
- Buy Sell and Swap – you don't want it? Get rid of it here
- Trade Stands – Here's your chance to talk to the retailers and manufacturers
- Banquet – Celebrate a great weekend at our dinner.
- Alternative tours and activities – very interesting for those not interested in trains
